

COMMERCIAL MIXES

TECH SHEET

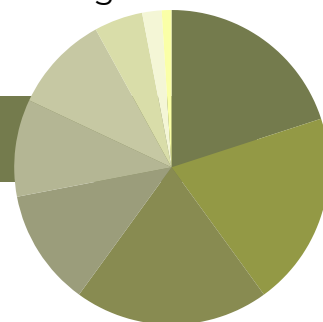

WET TURF MIX

Low maintenance, adaptable turf mix used in areas that may occasionally be temporarily flooded but will drain out such as engineered detention basins. This mix can be mowed or left to grow if wet conditions prevent mowing.

MIX RATIO

Creeping Red Fescue - 40 lbs/acre
Kentucky Bluegrass (Bronze Tier) - 40 lbs/acre
Perennial Ryegrass (Turf Type) (Named Variety) - 40 lbs/acre
Crested Wheatgrass (Turf Type) - 24 lbs/acre
Annual Ryegrass - 20 lbs/acre
Chewings Fescue - 20 lbs/acre
Alkaligrass - 10 lbs/acre
Timothy - 4 lbs/acre
Creeping Foxtail - 2 lbs/acre

*pie chart is based on BULK lbs/acre
