PRODUCT LISTING

2026

ALFALFA

- Common Alfalfa
- Creeping Alfalfa
- Falcata Yellow Blossom Alfalfa
- Sholty Alfalfa
- Ladak Alfalfa
- Multi-Leaf Alfalfa
- Non-Dormant Alfalfa
- Vernal Alfalfa

Pre-inoculated available

BRASSICAS

- Hunter Brassica
- Pasja Brassica
- Winfred Brassica
- Cabbage
- Forage Collards
- Kale
- Mustard
- Purple Top Turnip
- Daikon Radish
- Graza Radish
- Rape Seed
- Sugar Beets
- Swede
- Barkant Turnip
- Forage Turnip
- Winter Camelina
- Winter Canola

CLOVERS

- Alsike Clover
- Arrowleaf Clover
- Balansa Clover
- Balansa Clover - Fixation
- Berseem Clover
- Berseem Clover - Frosty
- Crimson Clover
- Ladino White Clover
- Mammoth Red Clover
- Medium Red Clover
- Persian Clover
- Strawberry Clover
- White Blossom Sweet Clover
- White Clover
- White Dutch Clover
- Yellow Blossom Sweet Clover

Pre-inoculated available

FIELD GRASS SPECIES

- Creeping Foxtail - Garrison
- Crested Wheatgrass - Field Type
- Crested Wheatgrass - Turf Type
- Festulolium
- Green Wheatgrass - AC Saltlander
- Intermediate Wheatgrass
- Italian Ryegrass - Tetilia
- Italian Ryegrass - Green Spirit
- Kentucky Bluegrass
- Meadow Brome
- Meadow Fescue
- Orchardgrass - Paiute

FIELD GRASS SPECIES

- Orchardgrass - Early Maturing
- Orchardgrass - Late Maturing
- Perennial Ryegrass
- Pubescent Wheatgrass
- Redtop
- Reed Canarygrass
- Smooth Brome
- Tall Fescue - Fawn
- Tall Fescue - Kentucky 31
- Tall Fescue - STF 43
- Tall Wheatgrass
- Timothy

MISC. LEGUMES

- Annual Lespedeza
- Birdsfoot Trefoil
- Black Beans
- Chickling Vetch
- Cicer Milkvetch
- Common Vetch
- Cowpeas
- Crownvetch
- Faba Bean
- Hairy Vetch
- Lentils
- Mung Bean
- Sainfoin
- Sunn Hemp
- Winter Lentils
- Winter Peas

COOL-SEASON ANNUAL FORAGES

Forage Barley

- Barley - Hays
- Barley - Lavina

Forage Oats

- CDC Haymaker
- Everleaf Falcon & 126
- Goliath

Misc Broadleaves

- Chicory
- Flax
- Phacelia
- Plantain
- Small Burnet

Peas & Pea-Grain Blends

- Austrian Winter Peas
- Field Peas
- 40/10 Forage Peas
- 60/40 Pea/Barley Mix
- 60/40 Pea/Oat Mix
- 60/40 Pea/Triticale Mix

Spring Triticale

- Sterile Triticale - Quickguard
- Spring Triticale

WARM-SEASON ANNUAL FORAGES

Millet

- Brown Top Millet
- German Millet
- Japanese Millet
- BMR Pearl Millet
- Conventional Pearl Millet
- White Proso Millet
- Siberian Millet
- White Wonder Millet

Miscellaneous

- Buckwheat
- Crabgrass - Mojo
- Grazing Corn
- Safflower
- Conventional Soybeans
- Teff Grass - Moxie
- Teff Grass

Sorghum & Sorghum-Sudangrass

- Gunslinger BMR Sorghum-Sudangrass (Raw or Safened)
- Cowboy Sorghum-Sudangrass (Raw or Safened)
- Piper Sudangrass

WINTER ANNUAL FORAGES

Miscellaneous

- Winter Barley
- Winter Oats

WINTER ANNUAL FORAGES

Winter Triticale

- Flex 719
- Fridge
- Gainer 154
- Showtime
- SY 813
- FX10001

Forage Winter Wheat

- AP Baldy
- MTF 1435

SMALL GRAINS

Barley

- Barley (Uncertified)

Oats

- Buffalo (Certified)
- Goliath (Certified)
- Reins (Certified)
- Rushmore (Certified)
- Jerry (Uncertified)
- Morton (Uncertified)

Rye Grain

- SU Cossani (Hybrid Rye)
- SU Performer (Hybrid Rye)
- Rye Grain
- Elbon Rye Grain
- Hazlet Rye Grain
- Rye Grain (Certified)

Spring Wheat

- Hard Red Spring Wheat
- LCS Trigger
- MN Torgy

SMALL GRAINS

Hard Red Winter Wheat

- AP Bigfoot
- AP Solid
- AP24AX
- Brawl CL
- CP 7017AX
- CP 7869
- Killer Cover (Cover Crop Wheat)
- SY Monument
- SY Wolverine
- WB Grainfield
- WB4303
- WB4347
- WB4422
- WB4445CLP
- WB4510CLP
- WB4523
- WB4595
- WB4733CLP
- Winterhawk

Hard White Winter Wheat

- AP 401CL
- Aspen
- Breck
- Snowmass 2
- Windom SF

SWEET CORN

- Ambrosia (75 Day)
- Bodacious (75 Day)
- Delectable (84 Day)
- Incredible (85 Day)
- Sweetness (68 Day)

TURF

- Alkaligrass
- Annual Ryegrass
- Bahiagrass
- Bermudagrass
- Blue Fescue
- Chewings Fescue
- Creeping Bentgrass
- Creeping Red Fescue
- Hard Fescue
- Kentucky Bluegrass (Standard, Improved, Elite)
- Perennial Ryegrass - Named Variety
- Perennial Ryegrass - VNS
- Rough Bluegrass
- Sheep Fescue
- Turf Type Tall Fescue - Turf Saver RTF
- Turf Type Tall Fescue - Named Variety
- Turf Type Tall Fescue - VNS

FOOD PLOT SPECIES

- Austrian Winter Peas
- Black Oats
- Buckwheat
- Chufa
- Clearfield Hybrid Sunflowers
- Collards
- Egyptian Wheat
- Forage Kochia
- Forage Soybeans (Conventional)
- Glyphosate-Tolerant Soybeans
- Grain Sorghum
- Hybrid Corn (Glyphosate-Tolerant)
- Kale
- Lablab
- Oats - Buck Forage
- Peredovik Sunflower
- Rice
- Rutabaga
- Winter Oats

NATIVE GRASSES

- Alkali sacaton
- Altai wildrye
- American mannagrass
- Autumn bentgrass
- Beardless wildrye - Shoshone
- Big bluegrass - Sherman
- Big bluestem - Bison, Bonilla, Bounty
- Big bluestem (local ecotype) - MN Native, WI Native
- Big bluestem (southern variety) - Kaw, Pawnee, Rountree
- Blue grama - Bad River
- Blue grama (local ecotype) - MN Native
- Blue grama (southern variety) - Hachita
- Blue wildrye
- Bluebunch wheatgrass - Anatone, Goldar
- Bottlebrush grass
- Bottlebrush squirreltail
- Broomsedge (native grass)
- Buffalograss - Bowie, Cody, Texoka
- Buffalograss - Sundancer

- Meadow barley
- Mountain brome
- Muttongrass

NATIVE GRASSES

- Needle-and-thread grass
- Nuttall's alkaligrass
- Plains bristlegrass
- Porcupine grass
- Poverty oats
- Prairie brome
- Prairie cordgrass - Red River
- Prairie cordgrass (local ecotype) - ND Native
- Prairie dropseed
- Prairie junegrass
- Prairie junegrass (local ecotype)
- Prairie sandreed - Goshen
- Purple lovegrass
- Purple top tridens
- Rattlesnake grass
- Rice cutgrass
- River oats
- Riverbank wildrye
- Rocky mountain fescue
- Rough dropseed
- Russian wildrye - Bozoisky
- Sand bluestem - Chet, Goldstrike
- Sand dropseed
- Sand lovegrass - Bend
- Sandberg bluegrass - High Plains
- Scribner's rosette grass
- Siberian wheatgrass - Stabilizer, Vavilov II
- Sideoats grama - Butte, Pierre
- Sideoats grama (local ecotype) - MN Native
- Sideoats grama (southern variety) - El Reno
- Silky wildrye
- Slender wheatgrass - Pryor, Revenue, San Luis
- Slender wheatgrass (local ecotype) - MN Native
- Slender woodoats
- Slimstem reedgrass
- Snake river wheatgrass - Secar
- Splitbeard bluestem
- Streambank wheatgrass - Sodar
- Sweetgrass
- Switchgrass - Alamo
- Switchgrass - Cave-in-rock
- Switchgrass - Dacotah, Forestburg, Sunburst
- Switchgrass - Nebraska 28
- Switchgrass - RC Big Rock
- Switchgrass - RC Tecumseh
- Switchgrass (local ecotype) - MN Native
- Switchgrass (southern variety) - Blackwell
- Thickspike wheatgrass - Bannock, Critana
- Tufted hairgrass
- Virginia wildrye - Tober, IA Native, MN Native
- Weeping lovegrass
- Western wheatgrass - Rosana
- Western wheatgrass (southern variety) - Arriba
- White top
- Wild rice

NATIVE FORBS

- American licorice
- American spikenard
- American vetch
- American vetch (local ecotype)
- American water horehound
- American water plantain
- Angelica
- Anise hyssop
- Annual sunflower
- Aromatic aster
- Arrowleaf balsamroot
- Arrow-leaved aster
- Arumleaf arrowhead
- Basin big sagebrush
- Bearded beggarticks
- Bishop's flower
- Black eyed susan
- Black eyed susan (local ecotype)
- Black greasewood
- Black sagebrush
- Blanketflower
- Blue flax
- Blue vervain
- Blue wild indigo
- Bog bean
- Boneset
- Boneset (local ecotype)
- Bottle gentian
- Brown-eyed Susan
- Bush morning glory
- Butterfly milkweed
- Butterfly milkweed (local ecotype)
- Buttonbush
- Calico aster
- Calico penstemon
- California poppy "orange"
- Canada anemone
- Canada germander
- Canada goldenrod
- Canada milkvetch
- Cardinal flower
- Clasping coneflower
- Columbine
- Common arrowhead
- Common beggartick
- Common milkweed
- Common ragweed
- Compass plant
- Cosmos
- Cow parsnip
- Cream gentian
- Cream wild indigo
- Crested pricklypoppy
- Crimsoneyed rosemallow
- Culver's root
- Cup plant
- Cup plant (local ecotype)
- Curlycup gumweed
- Daisy fleabane
- Dame's rocket
- Desert false indigo
- Ditch stonecrop
- Dotted blazingstar
- Douglas rabbit brush
- Downy gentian
- Downy painted cup

NATIVE FORBS

- Downy sunflower
- Dwarf blazingstar
- Dwarf red coreopsis
- Early figwort
- Early wild rose
- Engelmann's fleabane
- Englemann's daisy
- Evening primrose
- Evening primrose (local ecotype)
- False aster
- False boneset
- False gromwell
- False sunflower
- False sunflower (local ecotype)
- Fernleaf biscuitroot
- Field pussytoes
- Field thistle
- Flat-topped aster
- Flat-topped aster (local ecotype)
- Flowering spurge
- Forget-me-not
- Fourpoint evening primrose
- Fourwing saltbrush
- Foxglove beardtongue
- Foxtail prairie clover
- Fragrant false indigo
- French marigold
- Fringed gentian
- Fringed loosestrife
- Fringed sage
- Frost aster
- Gardner saltbush
- Giant goldenrod
- Giant ironweed
- Giant sunflower
- Gloriosa daisy
- Goats beard
- Golden alexanders
- Golden alexanders (local ecotype)
- Grass-leaved goldenrod
- Gray goldenrod
- Gray goldenrod (local ecotype)
- Grayhead coneflower
- Grayhead coneflower (local ecotype)
- Great blue lobelia
- Great St. John's wort
- Greater water dock
- Ground plum milkvetch
- Hairy beardtongue
- Hairy wood mint
- Halberdleaf rosemallow
- Heart-leaved golden alexanders
- Heath aster
- Hoary puccoon
- Hoary vervain
- Illinois bundleflower
- Illinois bundleflower (local ecotype)
- Illinois tick trefoil
- Indian blanket
- Ironweed
- Ironweed (local ecotype)
- Jerusalem artichoke
- Lambsquarter
- Lanceleaf blazingstar
- Lance-leaved coreopsis

NATIVE FORBS

- Lance-leaved coreopsis (local ecotype)
- Late figwort
- Lead plant
- Leafy prairie clover
- Lemon mint
- Lemon scurfpea
- Lewis flax
- Lindley's aster
- Low sage
- Mad dog skullcap
- Maiden pinks
- Maltesecross
- Marsh blazingstar
- Marsh marigold
- Maryland senna
- Maximilian sunflower
- Maximilian sunflower (local ecotype)
- Meadow blazingstar
- Mexican red hat coneflower
- Missouri goldenrod
- Missouri ironweed
- Missouri primrose
- Mist flower
- Monkey flower
- Mountain big sagebrush
- Mountain mint
- Munro's globemallow
- Narrowleaved purple coneflower
- New England aster
- New England aster (local ecotype)
- New Jersey tea
- Nodding bur marigold
- Nodding onion
- Northern bedstraw
- Northern blue flag iris
- Northern sweetvetch
- Northern water plantain
- Nuttall's sensitive briar
- Nuttall's sunflower
- Obedient plant
- Ohio horse mint
- Ohio spiderwort
- Orange coneflower
- Oxeye daisy
- Pale beardtongue
- Pale evening primrose
- Pale purple coneflower
- Pale spiked lobelia
- Palmer penstemon
- Panicked aster
- Partridge pea
- Partridge pea (local ecotype)
- Pasqueflower
- Pasture rose
- Perennial lupine
- Pickerel weed
- Pitcher sage
- Plains bee balm
- Plains coreopsis
- Plains coreopsis (local ecotype)
- Plains milkweed
- Plains snakecotton
- Plains sunflower
- Prairie alum root
- Prairie aster
- Prairie blazingstar

NATIVE FORBS

- Prairie blazingstar (local ecotype)
- Prairie blue eyed grass
- Prairie cinquefoil
- Prairie coneflower
- Prairie coneflower (local ecotype)
- Prairie dandelion
- Prairie dock
- Prairie larkspur
- Prairie lily
- Prairie milkweed
- Prairie onion
- Prairie phlox
- Prairie ragwort
- Prairie sage
- Prairie sage (local ecotype)
- Prairie smoke
- Prairie spiderwort
- Prairie trefoil
- Prairie turnip
- Prairie violet
- Prairie wild rose
- Purple coneflower
- Purple giant hyssop
- Purple locoweed
- Purple meadow rue
- Purple poppy mallow
- Purple prairie clover
- Rabbit brush
- Rattlesnake master
- Red corn poppy
- Red yarrow
- Riddell's goldenrod
- Rocky mountain beeplant
- Rocky mountain penstemon
- Rosin weed
- Rough blazingstar
- Rough purple gerardia
- Roundhead bush clover
- Roundhead bush clover (local ecotype)
- Royal catchfly
- Sand milkweed
- Sawtooth sunflower
- Scaly blazingstar
- Scarlet flax
- Scarlet globemallow
- Scarlet sage
- Seedbox
- Self-heal
- Shadscale
- Shasta daisy
- Shell leaf penstemon
- Shell leaf penstemon (local ecotype)
- Shooting star
- Showy deathcamas
- Showy evening primrose
- Showy goldenrod
- Showy goldenrod (local ecotype)
- Showy milkweed
- Showy tick trefoil
- Showy tick trefoil (local ecotype)
- Silky aster
- Silky prairie clover
- Silver lupine
- Silver sagebrush
- Silverleaf lupine
- Sky-blue aster

NATIVE FORBS

- Slender mountain mint
- Slender penstemon
- Slenderleaf false foxglove
- Smooth blue aster
- Snapdragon
- Sneezeweed
- Soapweed yucca
- Soapwort
- Southern blue flag iris
- Spotted bee balm
- Spotted joe pye weed
- Spotted St. John's wort
- Stiff goldenrod
- Stiff goldenrod (local ecotype)
- Stiff sunflower
- Stiff tickseed
- Sulphur cinquefoil
- Sulphur-flower buckwheat
- Swamp aster
- Swamp lousewort
- Swamp milkweed
- Swamp milkweed (local ecotype)
- Sweet black-eyed Susan
- Sweet cicely
- Sweet flag
- Sweet joe pye weed
- Tall bellflower
- Tall blue cornflower
- Tall boneset
- Tall coreopsis
- Tall meadow rue
- Tall swamp marigold
- Tall thimbleweed
- Tall thistle
- Tall white sweet alyssum
- Tapertip hawksbeard
- Texas bluebonnet
- Thimbleweed
- Tube penstemon
- Upland white aster
- Veiny pea
- Velvety gaura
- Virginia spiderwort
- Water parsnip
- Western ironweed
- Western snowberry
- Western wallflower
- Western yarrow
- White beardtongue
- White prairie clover
- White snakeroot
- White turtlehead
- White vervain
- White wild (false) indigo
- White yarrow
- Whorled milkweed
- Wild bergamot
- Wild bergamot (local ecotype)
- Wild four o'clock
- Wild garlic
- Wild geranium
- Wild golden glow
- Wild lupine
- Wild petunia
- Wild quinine
- Wild senna

NATIVE FORBS

- Wild senna (eastern origin)
- Willow-leaf sunflower
- Winged loosestrife
- Wingstem
- Winterfat
- Wood betony
- Woodland sunflower
- Wood's rose
- Wyeth buckwheat
- Wyoming big sagebrush
- Yellow beeplant

WETLAND SPECIES

- Alkali bulrush
- American sloughgrass
- Awl-fruited oval sedge
- Baltic rush
- Beaked sedge
- Bebb's sedge
- Bog paniced sedge
- Bristly sedge
- Broom sedge (wetland sedge)
- Brown fox sedge
- Brown fox sedge (local ecotype)
- Clustered field sedge
- Common fox sedge
- Common rush
- Creeping spike rush
- Creeping spike rush (western origin)
- Crested oval sedge
- Dark green bulrush
- Dudley's rush
- False bristly sedge
- Field oval sedge
- Frank's sedge
- Fringed sedge
- Giant bur reed
- Greater straw sedge
- Hard stemmed bulrush
- Hard stemmed bulrush (western origin)
- Heavy sedge
- Hop sedge
- Inland rush
- Knotted rush

WETLAND SPECIES

- Lake sedge
- Long beaked sedge
- Lurid sedge
- Meadow sedge
- Narrow-leaved cattail sedge
- Nebraska sedge
- Needle spike rush
- Pale bulrush
- Pale sedge
- Path rush
- Path rush (eastern origin)
- Pennsylvania sedge
- Pennsylvania smartweed
- Pennsylvania smartweed (eastern origin)
- Plains oval sedge
- Porcupine sedge
- Prairie sedge
- Prairie star sedge
- Red bulrush
- Rigid sedge
- River bulrush
- Running marsh sedge
- Short's sedge
- Slender bulrush
- Smoothcone sedge
- Softstem bulrush
- Softstem bulrush (western origin)
- Sun sedge
- Three square bulrush
- Three square bulrush (western origin)
- Torrey's rush
- Tussock sedge
- Water sedge
- Wheat sedge
- Wool grass
- Woolly sedge
- Yellowfruit sedge

Take advantage of our integrated seed supply chain.

Our large-scale distribution network can deliver seed within days of an order being placed.

Whether it's an intricate hand-mixed order or a 25,000-pound batch in our state-of-the-art Concetti system, we've got the tools and the team to handle it all.

1,200+ species of seed, including local ecotypes,
allows us to meet your needs across all soil types
and landscapes.

180,000 ft²
warehouse
space

1 million bushels
bin storage
capacity

2,000+ quality tests analyzed annually

1,200+ species
of seed

30+ million pounds
annual mixing capacity

Impacting **3.5+ million**
acres annually
